SUBSTITUTE AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicants submit this amendment to replace the amendment dated September 14, 2001 which was not entered by the Examiner. The purpose is to correct errors in the instructions of the amendment.

AMENDMENTS

In the Claims

Please amend Claims 1, 2, and 10 to read as follows:

1. (Amended) A container comprising a container body having an aperture with a perimeter therearound, a cover having a perimeter therearound which corresponds to the perimeter around the aperture of the body, a seal at least partially juxtaposed to said perimeter, and a slider; said container closable with the cover and at least partially sealable therearound with the seal,
- said container further comprising a track juxtaposed to, but being spaced apart from said seal, whereby said slider is movable in the track
- said track comprising an auxiliary track not operatively juxtaposed with the seal.
